

# YOUTH IN MEDIA CONSENT FORM

## Boy Scout Troop 455 – Renton Washington

Troop 455 may publish information through various media forms including print (Troop newsletter), electronic (Troop website), and/or video production. The purpose of these publications is to provide the community, parents and the general public an opportunity to learn more about The Boy Scouts of America, Troop 455 and to showcase our programs and activities for non-profit use.

Troop 455 recognizes that when publishing pictures of minors' particular attention and responsibility must be given in order to protect them. Therefore, we have established some guidelines for publishing pictures and information about your son. Please review the guidelines carefully. Your permission is necessary before your son's picture and/or information can be published or displayed. Every attempt has been made to comply with the National Boy Scouts of America's Internet policies.

1. Your son's name will not be published on the Troop website or with any pictures that are posted on private photo albums.
2. Individual or group pictures of your son (such as participating in activities) will be displayed only with your permission.
